

COUNCIL ON IONIZING RADIATION MEASUREMENTS & STANDARDS

Dear Colleagues,

Please save the date for the **28th Annual Meeting of the Council on Ionizing Radiation Measurements and Standards (CIRMS)** to be held **VIRTUALLY April 26-27, 2021**.

This is the CIRMS's 28th Annual Meeting and the theme is "*Radiation in a Digital and Virtual World*". For over a quarter of a century, CIRMS has played an important role in serving as a public forum for discussion of radiation measurements and standards issues for industry, academia and government. The technical program will consist of plenary and poster sessions on Monday followed by three parallel working group sessions held on Tuesday.

Further detailed information about the upcoming meeting will be soon posted on the [CIRMS website](#). We hope to see you all there!

Regards,

Renata
